

3rd Annual Mattie Kelly Environmental Symposium on Choctawhatchee Bay

"From Beaches to Bayous"

Call for Papers

**April 30, 2010
Northwest Florida State College
Niceville, FL**

The *3rd Annual Mattie Kelly Environmental Symposium on Choctawhatchee Bay*, sponsored and hosted by the Mattie Kelly Cultural and Environmental Institute of Northwest Florida State College, will be held Friday, April 30, 2010 on the Niceville campus. Papers for both oral and poster presentations are solicited for this event. Researchers from academia, industry, and government agencies are encouraged to submit their recent work on topics related to the Choctawhatchee Estuary, watershed, and bay, including, but not limited to, those topics related to *geoscience and water quality* or *habitats and habitat restoration*. Participation by graduate students is strongly encouraged.

Please submit your abstract electronically via the on-line registration form found on the symposium website (<http://mattiekellyinstitute.org/>) no later than April 13, 2010. Abstracts should be limited to 300 words. We anticipate that accepted oral presentations will be allotted 20-minute time slots (15 minutes for presentation and 5 minutes for questions).

For additional information, contact Dr. Allison Beauregard, Mattie Kelly Cultural and Environmental Institute, Northwest Florida State College, at beaurega@nwfsc.edu or at 850-729-6469.
